

Mokena C. of C. Plans Fiesta Days--June 30

The Mokena Chamber of Commerce this year will inaugurate Fiesta Days, a merchandizing period in a homecoming atmosphere. If the event is as successful as its sponsors anticipate it will be repeated annually. The Lions club is assisting.

Fiesta Days will begin Saturday, June 30, and run thru July 4.

Plans include a queen contest, an auction sale, a lunch to be served on the parking lot of the Mokena State bank, and on the Fourth of July there is to be a parade that will disband at Mokena Community Park where various booths will be set up. That night there will be a big display of fireworks. In the afternoon there will be ball games and other entertainment.

The lunch -- a hotdog, potato chips and a soft drink, will be served on the opening day, June 30, from noon to 2 o'clock. The auction sale is scheduled to begin at 1 o'clock that same afternoon. It is to be held on the Rock Island parking lot on Front street. There will be a professional auctioneer and anything and everything brought in will be sold. This will be an

opportunity, those in charge point out, for residents of the area to dispose of odds and ends and surplus articles at a very reasonable cost. The Chamber of Commerce will retain 10% of the sale price to apply on the expenses of the celebration -- 90% goes to the owner of the things sold.

Votes for the queen will be 10 cents a vote. The girls -- each

one representing a business establishment -- will sell the votes. The purchaser in turn will get a 10 cent discount on each dollar he spends with the sponsor for merchandise. The purchaser of votes also will be eligible for the three prizes to be given away. These prizes will be merchandise certificates, one good for \$100, one for \$50 and one for \$25.

Select Polling Places For Mokena Fire Dist. Election

Three polling places have been selected for the Mokena fire protection district election to be held Saturday, July 14.

The petition asking for a referendum on the proposition of forming a fire protection district was approved by Will county Judy John C. Cowing last week and the date set.

Now the territory has been divided and the polling places located. The polls will be open from 6 a.m. to 6 p.m.

A notice, describing the area in detail with a legal description of the lands involved, is carried in another part of this issue.

The north boundary line of the proposed district is 167th street. The east line is 96th ave. (U.S. 45), south from 167th until Sec. 3 is reached; then the east line extends over into about the center of Sec. 3 and runs to 191st street when 96th ave. again becomes the boundary. Arbury Hills is in the Frankfort fire district.

The south line of the proposed Mokena district is approximately the line followed by Hickory creek, which is the north line of the Frankfort district.

The Mokena district would extend to the boundaries of the New Lenox fire district and the west line of Homer township. There are some parcels that lie within Orland township.

The first precinct polling place will be the Mokena village hall at 310 Front street. This will serve all voters residing within the Mokena village limits.

The second precinct polling place will be Mancke's garage at 189th and Wolf road. This will serve all voters in the Frankfort township portion of the proposed district outside the corporate limits of Mokena.

The polling place for the third precinct will be located in the basement of Maue school, 179th street and 108th ave. and will serve those voters residing in

Orland and Homer townships whose property is located within the proposed district.

The ballots call for a simple yes or no vote.

A fire protection district is empowered to levy a tax for the operation and maintenance of a fire department. The Mokena department is made up of volunteers. It has been existing on contributions from the public

Would Change Weitendorf Boundaries

A petition signed by 40 persons residing in Weitendorf school district, No. 154, asking that a portion of that district be detached and then annexed to the Mokena grade school district, No. 159, has been filed with County Superintendent Vernon E. Crackel.

Supt. Crackel, who by virtue of office, is secretary of the Will county board of school trustees, will submit the petition to that body.

If the petition is found to be in order and the boundaries outlined are correct, the trustees will then be in a position to

advertise the date on which the petition will be heard.

The south boundary of the area to be detached would be an east and west line along the Alexander S. Duncan subdivision and the north boundary, of course, would be the south boundary of the present Mokena school district.

It is not likely there will be any hearing before the latter part of July or early in August, it was said.

The petition filed with Supt. Crackel carried the signatures of Mr. and Mrs. Robert H. Fuley and 38 others.

N.Lenox Youth Wins Place in N.U. Medical Project

James Dennis Lakin, one of the outstanding members of the current graduating class of Lincoln-Way high school, is one of 25 selected for Northwestern university's unique "integrated program" in medical education. This is the second such group selected for the purpose. The Lincoln-Way graduate so honored is the son of Mr. and Mrs. Ora Lakin of New Lenox.

The 25 students -- 21 men and four women -- comprising the 1962 class, were selected after hundreds of superior students throughout the United States had been interviewed and tested. As a group, those finally chosen averaged in the upper 3% of this year's high school graduating class.

All took part in extracurricular activities, in and out of school. They come from Illinois, Connecticut, Georgia, Michigan, Ohio, Pennsylvania, South Dakota and Wyoming.

The project challenges these students to attain their M.D. degrees in six years, with no compromise of scholastic achievement. At present a pre-medical student must have three or four years of university study before being accepted by a medical college, where he will spend another four years. This in turn is followed by a year as a hospital intern and (for a specialist) several years of residency.

In the first two years the Northwestern program provides a study of the basic sciences in co-ordinated, graduated sequence together with courses in the arts, humanities and behavioral sciences.

Their medical studies are expected to be centered in a new 15-story, \$8-million addition. As well as providing expanded research and library facilities, the wing will include two floors of unusual "unit laboratories," that provide the student with an area for his own private and continuous work, with space for study and experiment.

Work on the addition is scheduled to begin this year.

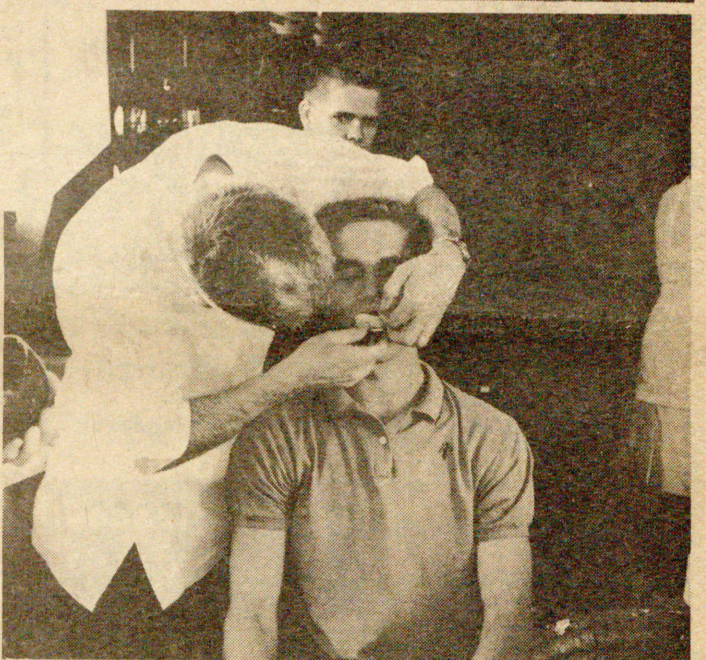

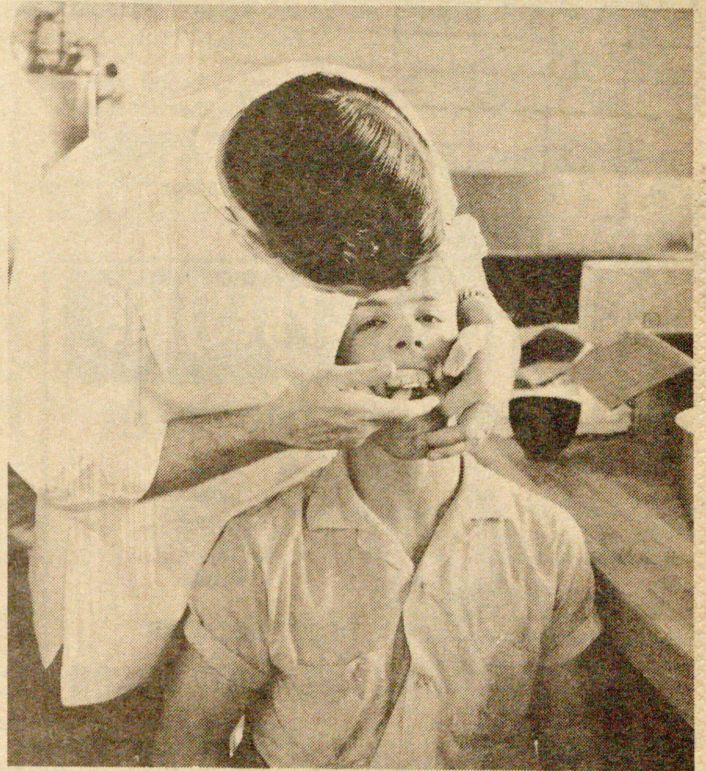

"Medical educators today are stuck in the rut of tradition," said Dr. John A.D. Cooper, assistant dean of the medical school. "Unless our medical schools gear their programs to the intelligent, inquisitive and independent minds of today's students, we cannot hope to attract high-caliber material to medicine."

"At Northwestern, we felt that the years of medical school were too segregated from the pre-medical years. Now, thru interaction with the medical school faculty, in seminars and conferences arranged during their first two years of study here, students see the implications of their studies in relation to their ultimate goals."

"Up to now, the pre-med student has been caught in a tense, anxious period of competition for entrance to medical school, with too little time devoted to preparing himself as a physician. Now, under this integrated program, he is assured of a place in the medical school, right from the start. We can approach his education, not as a contest, but as a continuous program," Dr. Cooper said.

"With our new unit laboratory concept, medical students will eliminate much of their unsatisfactory cook-book lab procedures. They will be able to put the principles of scientific research into practice, and touse their own initiative to take up the challenge offered by the questions that arise around them."

Initial planning of the Northwestern program began in 1957, with a grant from the John and Mary Markle Foundation. Committee members from the medical and liberal arts faculties met under the chairmanship of Dr. Moody E. Prior, dean of the Graduate School. Financial support for faculty members developing and teaching new courses is being provided by the Commonwealth Fund of New York.

FITTED FOR MOUTHGUARDS -- Among the Lincoln-Way football players fitted for mouthguards by area dentists were Ronald Badten of Mokena (top picture); Randy Wheeler, Lincoln Estates (middle picture) and Richard Fitzgerald (bottom picture) of Manhattan. (Aescupalian Association photo)

Dentists Fit L-W Grid Players With Mouthguards

Area dentists met with the athletic department and football squad at Lincoln-Way community high school on Thursday evening last week to produce and individually fit mouthguards for each player.

A recent athletic ruling makes it mandatory, effective this fall, that all football players must wear a mouthguard. The Will County Dental Society immediately appointed a committee to assist school officials in determining the type of mouthguard which would give maximum service at minimum cost.

Plans have now been finalized for the production of over one thousand mouthguards for the

schools in Will county. The Dental Society has divided its members into teams and assigned them to specific schools. Dentists will take impressions from each player and make a custom fitted mouthguard.

The dentists and their dental assistants are donating their professional services to the program as a community service and the only cost will be for the materials necessary in the construction of the mouthguards.

Eighty players were fitted at Lincoln-Way on Thursday. Another forty freshmen will be provided with mouthguards in September.

WORK IS STARTED on the installation of flasher signals at the Francis road crossing of the Wabash railroad. Workmen here are shown boring a hole under the highway to connecting wires. Four persons have been killed at this crossing as a result of train and auto collisions. The flashers will give motorists warning of approaching trains. (Semmler Press photo)

Boy, 4, Drowns In Home Pool Near Orland Park

On Monday night of last week the Orland Park village board spent considerable time discussing provisions of a proposed ordinance intended to guard against accidents involving home swimming pools.

On Wednesday, Memorial Day, a 4-year-old boy was drowned when he tumbled into a swimming pool in his own yard.

The youngster, Richard Busca, son of George and Lucille Busca of 9201 W. 143rd street, was drowned when he fell into a plastic pool that is about four feet above ground level.

The Buscas reside outside of the village limits of Orland Park. So even if the village had had an ordinance covering home swimming pools it would not have saved Richard. It is doubtful that any ordinance would have saved Richard unless there was one -- and strictly

enforced -- requiring that an adult or life guard be present at all times when children are in the vicinity of a swimming pool.

According to investigators the Busca boy and a 5-year-old companion, Guy Somerfield of 9125 W. 143rd, were playing in the Busca yard. Mr. Busca is a swimming pool salesman. There were two in the Busca yard, one in an excavation and the plastic one that stands on top of the ground. The sunken pool was surrounded by a fence.

The Somerfield youngster told Cook county police that he and Richard were playing when Richard climbed onto the platform surrounding the pool to get a board that was floating in

the water. Richard fell in, Guy ran to get his father, James Somerfield, but by the time he could get to the pool Richard had drowned. The Orland Park Volunteer fire department sent an inhalator squad to the scene and the members worked with the boy for 20 minutes in an attempt to revive him. At an inquest last Friday a coroner's jury returned a verdict of accidental drowning.

Mr. Busca was away from home at the time; the mother was in the house resting.

Besides the parents Richard is survived by two sisters and a brother, Cheryl and Michelle and John Steven.

Removal was to the Schmaedeke funeral home from where the body was taken Saturday afternoon to the Methodist church where the services were conducted with the Rev. Leon Leatherman officiating. Interment was in Orland Memorial Park cemetery.

Wrath to Head Summit Hill as Superintendent

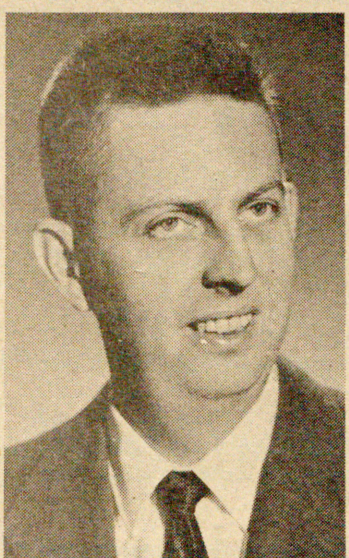

H. James Wrath, 35 E. Revere rd., Mokena, a grade and high school teacher in the area for the past nine years, has been named school superintendent of the Summit Hill district that serves Arbury Hills.

Mr. Wrath was selected by the board at a special meeting May 29 and the appointment became effective June 1. It was after Tuesday of his week, however, before Mr. Wrath could give full time to the new position. He has been teaching at Lincoln-Way high school for the past three years and this year he has been up with commencement activities as well as examinations and regular school work.

Selection of Mr. Wrath ends a long search for a successor to Charles Rellis who had resigned as superintendent to take a position at Pekin, Ill.

Mr. Wrath was a teacher and assistant superintendent of the Mokena grade school. He was with the Mokena system five years and went from there to Beecher high school. After a year at Beecher he joined the faculty at Lincoln-Way where he has taught for the past three years.

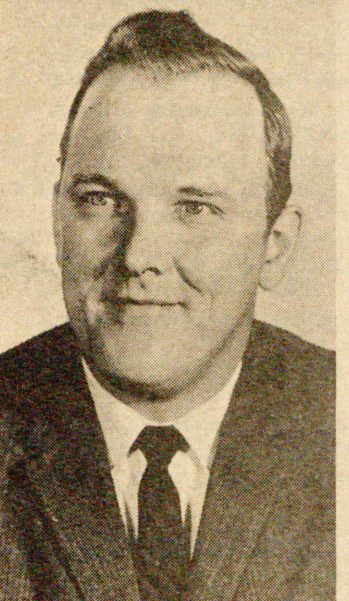

His duties at Lincoln-Way have included planning and participation in the freshman social studies team teaching program. He also has been active in or-

H. J. WRATH

ganizing the senior group guidance program as a member of the advisory group for the faculty. He coached basketball and baseball when he was in the Mokena schools and was freshman basketball coach and frosh-soph baseball coach at Lincoln-Way.

Mr. Wrath received his high school education at Milwaukee and his bachelor degree at Carthage College. He earned his master's degree in education at the University of Chicago.

EVANS W. DROTTS, 121 Ash, New Lenox was graduated May 28 from the Continental National Insurance Institute in Chicago. Drotts, who is associated with the Harvey Frick Agency, 204 N. Cedar rd., New Lenox, was one of a select group of agents and brokers completing the month-long course on all phases of insurance. The Continental National Insurance Institute, operated by the Continental National Insurance Group, is the largest school of its type in the midwest.

RECEIVES SCHOLARSHIP--Marijke van den Nouwland, of Belgium, attending Lincoln-Way high school as an exchange student, received a University of Illinois foreign student scholarship at an assembly Monday morning. It was presented to her by George T. Wilkins, (right) state superintendent of public instruction who made a special trip from Springfield for the occasion. At the far left is Donald D'Amico, assistant supt. of L-W, and next to him is Supt. A. Hunter Chapman. Marijke, who lost a foot in a train-auto collision at New Lenox last Feb. 3, was recently released from Silver Cross hospital in time for her to participate in commencement activities. She has indicated she would like very much to attend the U. of I. after her rehabilitation program and her possible return from Belgium. It is not likely she would be able to enroll until the 1963-64 college year. (Semmler Press photo)

Present Awards at Annual L-W Honor Night Program

The Lincoln-Way high school auditorium was filled with proud parents, relatives and friends who came to witness the distribution of awards at the annual honor night program on Monday of this week.

The presentation of awards came about the middle of the program just after the senior girls' ensemble had sung "Memento to Remember."

Four girls were awarded the state scholarships by Supt. A. Hunter Chapman, Kay Van Rheeden, Jacqueline Zitter, Susan Jasinski, and Arlene Lauffer; alternates, Phyllis Martin, Karen Blank, Donna Hussey and Susan Lotz.

Judith Kuchenbecker won the Hedges Clinic scholarship, presented by Dr. Claude Otto.

Mrs. Elizabeth Cappel, retiring superintendent of the Mokena grade schools, presented the scholarship bearing her name to Daniel Williams.

The Mokena Woman's club scholarship, presented by Mrs. Harold Beebe, went to Susan Lotz.

The Letterman's club award, presented by Ronald Larsen, wrestling coach, went to Ronald Yunker, who as president of the senior class served as master of ceremonies for the honor night program.

There were two Arion music awards. One went to Charles Ball and the other to James DeHart, with William R. Clark and Earl Moss making the presen-

tations. The DeKalb award, presented by Robert VanRheeden, head of the school's agriculture department, went to Dale Meyer. Mrs. Della Hussey, head of the mathematics department, presented the Math award to Paul Mikar.

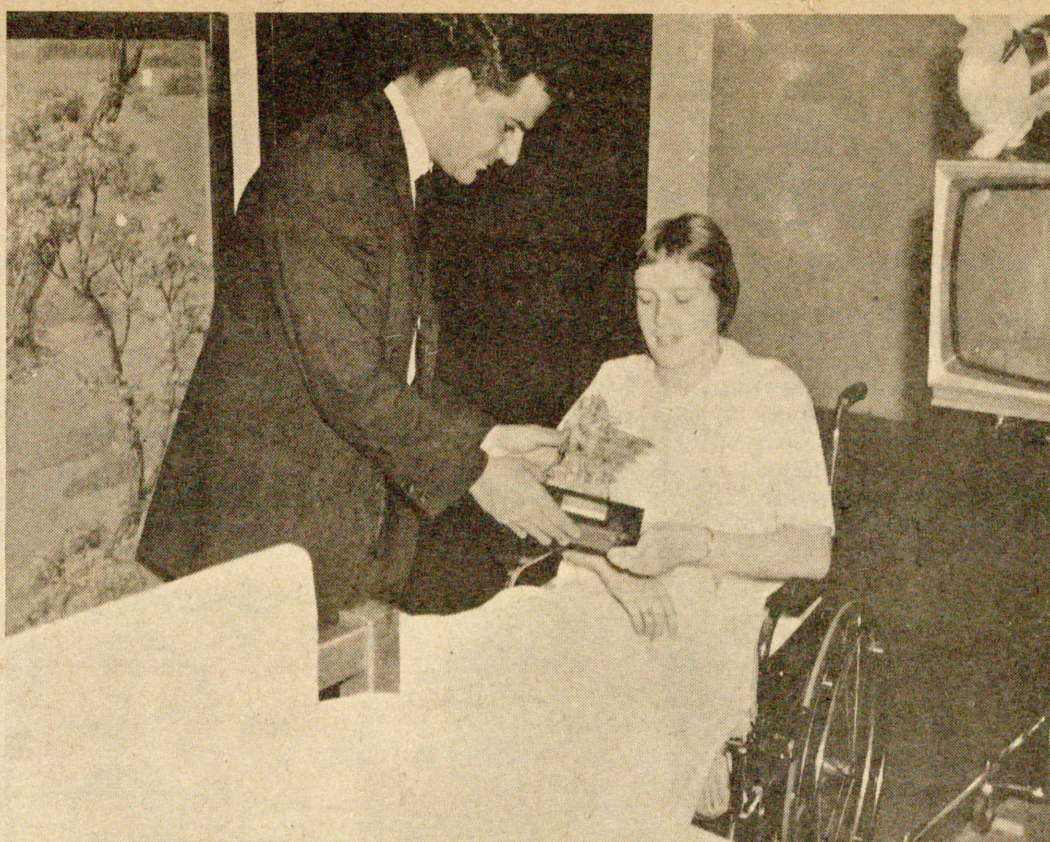

The D.A.R. award, presented by Mrs. Herbert Folkers, Frankfort, representing Des Plaines Valley chapter, was given to Susan Lotz.

Judith Bailey, Ray Hodge, Ross Nelson and Sandra McGann were winners of the Art awards, presented by Kenneth Kinney, head of the L-W art department.

Commander Ted Lutge, commander of Frankfort American Legion post and Kenneth Oetter, post historian, presented the Legion awards to Kay Van Rheeden and Paul Mikar.

Winners of the Economy Super-mart scholarships were presented to Mary McLaughlin, John Pester and Jacqueline Zitter by Asst. Supt. Donald D'Amico.

The National Honor Society scholarships went to Michael Tate, Susan Jasinski and John Pester; Future Nurses of America scholarship to Yvonne Rae Brown; Future Teachers of America scholarship to Donna Hussey and Ann Lempe; Lincoln-Way PTG scholarship to Susan Lotz; National Merit scholarship to James Lakin and Michael Tate.

GIFT FROM AN ARTIST... earlier this month while Marijke van den Nouwland, exchange student from Belgium, was still a patient at Silver Cross hospital (she had been there since Feb. 3, the day she lost a foot in a train-car crash) she had a caller with a gift. This was not an

unusual situation but the caller and gift were a great surprise. Six years ago when the World Fair opened in Brussels the U. S. government commissioned Rudolph Seno to design a representative piece of metal sculpture for the exhibition. Marijke, then a grade school pupil,

Friends Greet Frankfort Couple On Silver Wedding

Mr. and Mrs. Charles Mark, Sr., celebrated their 26th wedding anniversary in the Fellowship hall on Sunday June 3. A group of women from the WSCS of the Frankfort Methodist church served a buffet supper to about 100 people.

Mrs. Mark had an orchid corsage and he a carnation. The decorations thruout the hall were of garden flowers. There was a three-tier wedding cake and a crystal candelabra on the

bride's table.

Two of their attendants were present. They were: Walter Schellhase of Tinley Park and Mrs. Herbert Bixler of Three Rivers, Mich.

There was a solo, "Always," sung by Mrs. Joseph Karkas of Arbury Hills accompanied by Miss Donna Miller at the piano. Group singing followed. The party was given by Mr. and Mrs. Charles Mark Jr. and Gerald Mark, sons of the couple.

ENGAGEMENT ANNOUNCED, Mr. and Mrs. Louie Kooiman of Frankfort announce the engagement of their daughter Judith Lynn to Donald Ray Ridder, son of Mrs. Dorothy Ridder of Chicago. The couple plan to have a spring wedding.

Be Choosey on Summer Jobs, Says Labor Office

"When looking for summer employment, try to find a job that will be of value in your future career and be sure that it is performed under conditions not harmful to your health and welfare."

That is the advice of Earl F. Halverson, Regional Director of the U. S. Department of labor's wage and hour and public contracts divisions, the agency which administers the fair labor standards act and its child-labor provisions.

Also it is not always possible to obtain the exact type of work you would like, there are a variety of jobs which are permissible under the federal law, Halverson said.

Boys and girls as young as 14 and 15 may be employed as clerks or stock workers in

stores. They may also do office or clerical work in most businesses.

Sixteen- and 17-year olds may work in any job -- including factory work -- except those which have been declared hazardous by the secretary of labor. These jobs, which require an 18-year age minimum, include such work as truck driver or driver's helper, elevator operator, logger, miner, sawmill worker or operator of certain power-driven machines.

One should, of course, check the state child-labor law to make sure that he is also complying with it.

Offices of the state employment service have information on the availability of jobs. It is a good idea to take proof of age with one when he applies.

Succumbs To Heart Attack

Funeral services for Cornelius Wieringa, 47, of 108 Pacific st., Frankfort, were held Saturday afternoon, June 2 at the West End Chapel in Chicago Heights with the Rev. Erich Bizer officiating. Cremation followed.

Mr. Wieringa died suddenly Wednesday afternoon, May 30. He was mowing his lawn when he was apparently stricken with a heart attack. An inhalator crew from the Frankfort fire department attempted to revive him but efforts were futile.

Mr. Wieringa was superintendent for the Flinkkote Co. at Chicago Heights, manufacturers of roofing material. He was born March 28, 1915 in Lewistown, Mont., and has been a resident of Frankfort for the past 12 years.

Besides his wife Ethel, who is quite active in girl scout work, he is survived by three daughters Sandra, Patricia and Wendy June; and one brother Henry of Aurora, Colo.

Homer Sykes Sr. Succumbs at 87

Last rites for Homer Sykes, Sr., 87, of New Lenox, who died Tuesday, May 29, were held last Friday from the Hickey chapel at Midlothian. Interment was in Mt. Greenwood cemetery, Chicago.

Born at Sioux City, Ia., Aug. 12, 1874, Mr. Sykes spent most of his life in Chicago where he was a fur buyer for the John C. Shayne Co. for many years. He retired 22 years ago. Three years ago he came to New Lenox to make his home with a daughter, Mrs. Helen Scouler. Mr. Sykes was a member of Welcome Lodge, A.F. & A.M., Chicago. Besides Mrs. Scouler he is survived by another daughter, Mrs. Dorothy Francis, also of New Lenox; two sons, Homer, Jr., of Midlothian, and Irvin Sykes of Lansing, Ill.; also five grandchildren and seven great-grandchildren.

Orland Girl Will Teach at Flossmoor High

Elin Jean Bates has accepted a position as English teacher at Homewood-Flossmoor high school, according to the placement service records at Southern Illinois university. She is the daughter of Mr. and Mrs. Gene Bates, RR 1, Box 22, Orland Park.

Miss Bates is scheduled to be graduated from Southern Illinois university in June, majoring in English. While at Southern she was active in Delta Zeta social sorority and Zeta Phi Eta.

Dinner to Mark Installation

The eighth annual installation dinner of St. Michael's Altar & Rosary Society will be held on Saturday, June 9, in the school auditorium. The dinner will be family style and will include roast beef with mushroom gravy, fried chicken, potatoes, tossed salad, fruit plate and dessert.

The new officers to be installed are Mrs. Allan Gustafson, president, Mrs. Raymond Barry, vice president, Mrs. George Schilling, treasurer, Mrs. George Gallagher, recording secretary, Mrs. Charles Grigus and Mrs. Edward Rafacz, corresponding secretaries.

The evening's entertainment will center around the street "Champs Elysees. There will be an excellent selection of professional paintings to add an elegant touch to this French theme. In addition to the lovely paintings on display there will be a fashion show of clothes made and modeled by the ladies of the Altar & Rosary.

Mrs. Joseph Schutte and Mrs. Clarence Schultz are in charge of the program and Mrs. Paul Mattei is in charge of the entertainment.

Punch will be served at 6:30 and dinner at 7:00 p.m. The cost of the tickets are \$3.75. For more ticket information call FI 9-3411.

The Right to Know

Once again we warn the public of the trend toward totalitarian government.

Advocates of big government, the ultimate aim of which is to concentrate power into the hands of a small ring of bureaucrats, keep chipping away at the foundations of our freedoms and such chipping can effect breaching that would cause them to collapse.

The federal powers are not the only ones tampering with our rights—the states are guilty too. And the frightening thing about it is that the public is unaware of or unconcerned with this threat.

One of the ways to increase bureaucratic power is thru the suppression of public records and documents so they are unavailable to individuals or news media.

In Illinois for instance the state department of public health has been appointed to administer the new Vital Statistics Act.

The department, at the insistence of the press and allied news media, had agreed that under its proposed rule that they would be given access to marriage, divorce and other information. This rule would authorize any county or court clerk having marriage or divorce records in his custody to furnish, under such conditions as he himself would prescribe, certain information from such records to the press, and to agencies administering health, safety and other programs.

Illinois Attorney General William G. Clark has advised the health department to alter this proposed rule. The attorney general points out that the health department has no control over a county clerk or a circuit clerk while they are acting in their capacities of clerks of their respective courts but the health department can make a rule controlling the duties of such clerks under

the vital statistics act and this it should do, Clark advises.

The attorney general points out that the proposed rule should provide for furnishing information concerning births and deaths to persons engaged in bona fide research, such as abstracters who search out property titles.

One may say that the public as a whole isn't too concerned with having access to vital statistics records but there is no telling in what field the bureaucrats will clamp down next. It is not far-fetched to envision a day when the courts would resume star sessions and all mention of certain cases forbidden under severe penalty.

The time could come when one would be forbidden to view records pertaining to the operation of all governmental units and the public would know only what governmental heads wanted them to know.

Study of records by representatives of the press or investigating agencies has frequently uncovered wrong doing on the part of public officials.

We don't know just what fine sounding excuses the advocates of secrecy would employ to gain their means but we feel quite certain that the only ones to benefit would be sharpies -- the boys with an angle.

We do not wish to imply that Attorney General Clark is advising the health department to include certain restriction in its rule pertaining to public access to records concerning vital statistics. We think his advice is based on his interpretation of the law. We do not think that a law which would forbid public records to public inspection is a good law and our legislators should be so informed.

The right of the public to know should not be abridged.

News dispatches last week indicated that the millennium may be closer than one thinks.

According to those covering the national news sources in Washington, D.C., Secretary of Commerce Luther Hodges, a member of the cabinet mind you, is quoted as saying that his department employees too many persons and that 3,000 of them could be laid off without interfering with its operation.

There is no telling what the results of such an assertion could be. Mr. Hodges might find himself in a lot of trouble. It is conceivable that he might be prosecuted for treason if the bureaucrats get a whack at him. And even if they were unable to make a treason charge stick they could urge grand jury action on what the bureaucrats hold to be a capital crime -- trying to save money for the taxpayers.

The taxpayer is the natural prey of the bureaucrat and he resents any move that would give him protection.

Mr. Hodges not only said that some 3,000 employees in his department could be lopped off the payroll but went on to say that some 250,000 civil service workers could be fired without any ill effects to the working operations of the government.

This caused a number of astounded congressmen to sit up and blink. "What did he say?" some of them are reported demanding, not believing their eyes or their ears.

Hodges explained that the employees his department could do without were started on jobs 40 years ago that have since been completed. This might sound a bit strange but there must be many thousands of jobs that have been started and completed by civil service employees who are still on the payrolls. Economy-minded congressmen who cheered Mr. Hodges'

has no admission standards -- each high school graduate can enter. Either its quality of education will be poor or its drop-out rate will be high, or both.

Plans call for a possible site of 150 to 200 acres at a probable cost of a half million dollars. The largest of the Big Ten schools, the University of Minnesota, has a campus of 205 acres. Loyola university is bidding for a 79 acre site on which to build its nine million dollar medical center.

Building costs are estimated in excess of eleven million dollars, for the proposed junior college!

According to the publicity of the junior college planners, they expect the state to provide some \$180 per student per year. The state is in financial difficulty today -- let's not give it more problems. The state is already supporting five universities plus the new one to be built in Chicago. We passed a \$195,000,000 bond issue two years ago to be used by these universities for expansion, we'll be paying this off in the years ahead.

There is no transportation to any of the proposed locations for the junior college. Can you picture your 17 year-old daughter getting there without a car? Vote down the junior college issue on June 16, and then turn our attention back to our grade schools and high school which need our cooperation and support.

Sincerely,
FRED G. LEHMANN

Washington News Letter

By CONG. N.M. MASON

All Americans believe in good schools and want them. By and large American schools supported and controlled by local communities are well supported. This is shown by the following quote from the office of education at Washington:

"Over the past decade (the 1950's) more than 600,000 new classrooms were built, while increased attendance required only 400,000. This means that 200,000 classrooms were made available to replace old ones or to reduce the size of classes. This provided a significant improvement in school conditions."

Since 1956, our communities have been building an average of 70,000 classrooms a year on their own. In the four years between 1956 and 1960, enrollment rose 15 per cent, the number of classrooms increased 23 per cent, and the number of pupils per classroom declined from 29 to 27. And all this without federal aid.

The states and local communities during the past 10 years have boosted local school revenues 164 per cent to meet a 42 per cent expansion in enrollment.

Since the turn of the century, increases in school expenditures have far surpassed the growth in any other measuring rod of progress, including gross national product, personal income and personal consumption expenditures. Certainly the facts do not make a strong case for using vast appropriations of Federal funds at the elementary and secondary school level.

COMMITTEE ON WAYS AND MEANS: The House Committee on Ways and Means has original jurisdiction over all federal tax legislation, all tariff legislation, and all social security legislation. Any one of these subjects would make a full load for any committee.

Last year this committee was assigned nearly 25% of all public bills introduced in the House. On Aug. 28, 1961, the committee had pending before it 1501 public bills, 850 of which were tax bills, 351 social security bills, 258 tariff bills, and 42 miscellaneous bills.

Every one of these public bills generates inquiries from members of congress, business men, and the interested public. "The work load of this committee has increased 300% during the 15 years the writer has been a member of the committee. It is past time for this heavy work load to be divided up or redistributed among other congressional committees."

In a recent study of 5000 committee appointments in the house of representatives over the last 30 years, the Committee on Ways and Means was rated as the top committee in terms of its importance and desirability. Because of the importance of the work it is always given permission to sit while the house is in session.

"WE NEED MORE MEN LIKE BYRD IN CONGRESS!" Because of a difference in opinion over government spending between President Franklin D. Roosevelt and Senator Byrd of Virginia, the President was credited with having said in expansion, "We need fewer Byrds in congress."

As a result of that supposed statement by President Roosevelt, the conservatives of the nation adopted the slogan, "We need more men like Byrd in congress."

The writer has been flattered to find in letters from around the nation -- because of his conservative attitude toward government spending -- the parody, "We need more men like Mason in congress." What we really need in congress is more CONSERVATIVES: that is, more representatives who are conservative when spending other people's money.

We feel sure our successor, the Republican candidate, Frank Reid, will be that kind of a congressman if he walks in his father's footsteps.

Something to remember: "No king ever wielded a scepter more powerful than a 5-cent pencil in the hands of an American citizen when he sits down to write his representative."

remarks concede that there is quite a difference between saying let's get rid of a lot of these surplus payrolls and actually doing it.

After one attains civil service status, some of the law-makers admit, it is practically impossible to get rid of him. The only way it could be done, they say, is to revamp the entire civil service law and system and if they ever start that they can expect it will be well beyond the turn of the next century before the committees would have arrived at any plan that would be acceptable.

Civil service employees whose jobs were exhausted years ago could argue... "So what? What will happen to us if you fire us? We are either going to get a pension or be put on relief. That would mean that

more people would have to be hired to keep track of those of us who were fired. And I wouldn't be surprised if it took more people to do this than the number lopped off the payroll.

"There is always the possibility too that many of us would be re-instated with a provision that we were to collect our salaries for the time we lost by reason of our dismissal."

They could also argue that as long as the taxpayers had to turn out their pockets anyway to support a flock of foreign governments and their civil servants that they might as well get theirs too.

It is an innovation, however, to have the head of a department talk about effecting economies, whether anything is done about it or not.

The final 4-H Share-the-Fun and Public Speaking event was held recently at LaGrange. Participants in this final event were winners in three other preliminary events held throughout the county. This truly was an excellent evening of entertainment.

Winners from this area are: Public Speaking - John T. Thompson; Master of Ceremonies - John T. Thompson, Park Forest. Winning an alternate position in Public Speaking, was Evelyn Garbacz, Park Forest. The alternate in Master of Ceremonies category is Patricia O'Hanlon, Richton Park.

The winning Share-the-Fun act was put on by the St. Charles 4-H Club of Northbrook, with an act entitled "The Darling Dollies". The alternate is an act entitled "The Singiest", put on by the Baste and Taste 4-H Club of Mt. Prospect.

A referendum on a proposed National Marketing Order on Turkeys will be held June 18 through June 22. Producer growers who are eligible to vote must have marketed thirty-six hundred pounds of live weight of turkeys in 1961. Turkey growers who think they might be eligible to vote, should contact the ASC office in Orland Park, or this office. A form to certify eligibility to vote will be mailed to all known producers. It is important for turkey producers or handlers to vote in this referendum.

Minimum tillage saves not only time and money, but also soil and water. The rough surface between rows absorbs more water and saves soil. A minimum tillage system dovetails with other conservation practices or improves the efficiency of other practices. Plow-plant or wheel-track plant can reduce erosion by one-half, say University of Illinois soil conservationists.

Efficient crop production is the most common denominator of successful farms. Surveys of high income grain farmers show that the majority used insecticides, herbicides, and starter fertilizers on corn. The average application of nitrogen when used on first-year corn was 55 pounds, second-year corn 79 pounds, and third-year or continuous corn was 87 pounds. The most important item listed by these producers for getting good results was to be timely with fieldwork, especially at planting and harvest.

With the advent of warm weather, insects begin to appear. Homeowners should be watching for spring canker worms, more commonly known as measuring, or inch worms that feed on tree leaves early in the spring. For control, apply a spray of four pounds of lead arsenate, two pounds of 50% wettable DDT, or two quarts of 25% emulsifiable DDT, per one hundred gallons of water.

Elm leaf beetles have been observed on Chinese Elms. They skeletonize the leaves. For control, use the same insecticides as for spring canker worms.

Commercial sweet corn growers are advised that pupation of the corn borer is beginning. With the late season for corn planting, the first generation of corn borers should be very light. However, early planted fields should be watched carefully.

I note with interest in the most recent issue of the Illinois Florists Association bulletin that the University of Illinois flower judging team carried away top honors at the Annual Inter-Collegiate Flower Judging contest held last month at the University of Maryland. The particularly interesting fact about this achievement is that Paul Mergenthaler of Glenwood, former member of the Glenwood Aces 4-H club, was a member of the team.

Working your way through college hasn't gone out of style, says Cecil D. Smith, assistant dean of the University of Illinois College of Agriculture. Over half of the College of Agriculture students have part time jobs. A survey of student economics during the 1960 spring semester shows the average U. of I. student earned 20 percent of his expenses. Money from scholarships, loans and relatives provide the balance.

Business & Finance

By MAURICE P. ANGLAND

We have just come thru a substantial decrease in stock market prices and also a fast recovery of substantial proportions. The various magazines which have an interest in things financial and what makes the whole tick, has been doing some special research to ascertain facts and likely sequels.

Fortune magazine's monthly report on the economic outlook under title Business Round-up has attracted our attention for a number of years. The extent and accuracy of their analysis has been at least as good as any popular magazine known to us.

This magazine with others in the financial field, have been making a study of what is called the price-earnings ratio which is the number of times the current earnings per share, must be multiplied, to equal the market price of that particular stock. Presently, Standard & Poor Investment Service shows a price-earnings ratio of slightly more than 15 which is the equivalent of the highest prices achieved in the 1956-57 period. Some of the financial analysts have compared the price-earnings ratios of this period with those of 1955 and 1956. Fortune points out that part of the earnings of those years, was re-evaluation of inventories thru decrease in dollar purchasing power. Adjusting for this factor, Fortune points out that present price-earnings ratio should be made to reflect a 10 per cent rise for 1962 profits in comparison.

The study of this magazine does not agree with government statements that the lack of profits has been due to reduction in investment by corporations in new equipment. The magazine states that it is directly due to such investment that present profits have been possible.

This magazine and other leading financial journals are optimistic regarding the future of the business picture in spite of the hassle between government agencies and the steel situation. The expressed feeling is that investor confidence was impaired by the vigor and manner in which the administration reacted to the price increase. The feeling was that some of the basic industries were no longer sure of any rules regarding price increases in response to increased costs due to wage increases or other factors. There was a query as to who can and who cannot increase prices and under what conditions and who will enforce

such dictum and how will it be enforced. Some investors fear a profit-squeeze with what some of the popular writers have called -- a profitless prosperity.

Phrases such as this easily become popular, but do not reflect actions of business men who must show a profit or lose confidence of their stockholders. Quite a number of business managers have found in recent years, that losing stockholder's confidence is an easy route to the unemployment lists even for corporation executives.

Usually when an item becomes unprofitable, a firm merely ceases to fabricate that item. Altho politicians and others seeking favor of public, often demands price control, this has been tried many times and never with success as directed unless enforced by military effort. The easiest and best avoidance of the test is to discontinue the item.

Hints For Homeowners

BY JAMES FIZZELL
ASS'T FARM ADVISER

Many lawns have begun to turn yellow even where fertilizer was applied in early spring. This is because the fertilizer, particularly the nitrogen has been used up by the grass plants.

Right now it is important to apply a fertilizer containing a high amount of nitrogen to green up the grass and keep it growing.

Since grass is somewhat tender now, try one of the slow acting fertilizers. They don't burn as easily and do last longer. Be sure to apply the material at the recommended rate, and water thoroughly if it doesn't rain after the treatment.

Is there moss showing up in your lawn? The presence of moss in lawns can be due to a number of factors, all of which can be traced to environmental or soil conditions, that are detrimental to the growth of turf grasses.

If moss is present in a lawn it is a good indication that something is preventing the grass from growing. The most common factor is depleted soil. Moss is much better adapted to growing in poor soil than grass. Proper fertilizing will help the grass to grow and eliminate the moss.

Poor drainage can also be responsible for moss. Low spots in the lawn should be filled in to provide natural runoff of water. In some cases, tile will be necessary to get proper drainage.

Excessive shade is a factor which is common in city lawns. Thinning tree branches can be helpful, but a grass such as creeping red fescue or POA Junipers!

TRIVIALIS which is adapted to shaded areas should be sown. Few lawn grasses grow well in acid soil. The only way to tell if soil is acid is to have it tested. Contact our office at 201 North Dunton Avenue, Arlington Heights, for information on soil testing. If the soil is acid, the results of the test will give instructions on how to correct the situation with lime.

In areas where there is a dense mat of moss in the lawn, it should be killed by spraying with a 5% solution of iron sulfate. This will stop the moss from growing while the lawn grasses become established provided that the factors responsible for the moss are remedied.

Hot weather means insect problems. Have you found it difficult to keep track of all the different spray recommendations? If you have, we may have the answer to the problem. An all-purpose insect spray -- whether you mix it yourself or have your garden supply center do it for you -- the ingredients can help solve all of the home garden insect problems whether they be with trees, shrubs, or other garden plants.

What are these magic mixes? No. 1 includes a combination of DDT plus Malathion and Kelthane, while with No. 2 you substitute Sevin plus Kelthane. Combine the ingredients according to the application rates recommended on the individual container, and apply accordingly.

A caution, the malathion in spray No. 1 may injure Canaert Junipers!

OPPOSES JUNIOR COLLEGE PLAN

Dear Sir:

I liked your explanation sometime ago about why we have higher local taxes and your list of an almost endless number of taxing bodies. That really prompted this for your "letters to the editor" section.

Sometime ago one of our editorials explained why our local taxes continued to increase. The taxpayers vote for new services and for bond issues. New tax levying districts are approved and the rate is on for expansion and a bigger share of the tax dollar.

Whenever a new taxing body is presented to us for approval it might be well to consider just three factors before we vote: Do we need it? Do we want it? Can we afford it? A fire district, for example, would qualify for approval since we need this and it benefits all; its share of the tax dollar would be within our means.

However, the proposed junior college is an entirely different matter. Here is clearly something we don't need, the majority don't want and most of us can't afford.

Just how our high school board fell for this scheme advanced by high school administrators, professional and political "educators" is difficult to understand. Park Forest, Tinley Park, Homewood and Flossmoor had the good sense to withdraw forseeing their constituents' disapproval.

The proposed junior college

Funeral Held For Mokena Resident

Mrs. Blanche A. Bishop, 68, who has made her home for the past nine months with a daughter, Mrs. Shirley Rauch, 369 - 3rd st., Mokena, died Thursday, May 31 at her home.

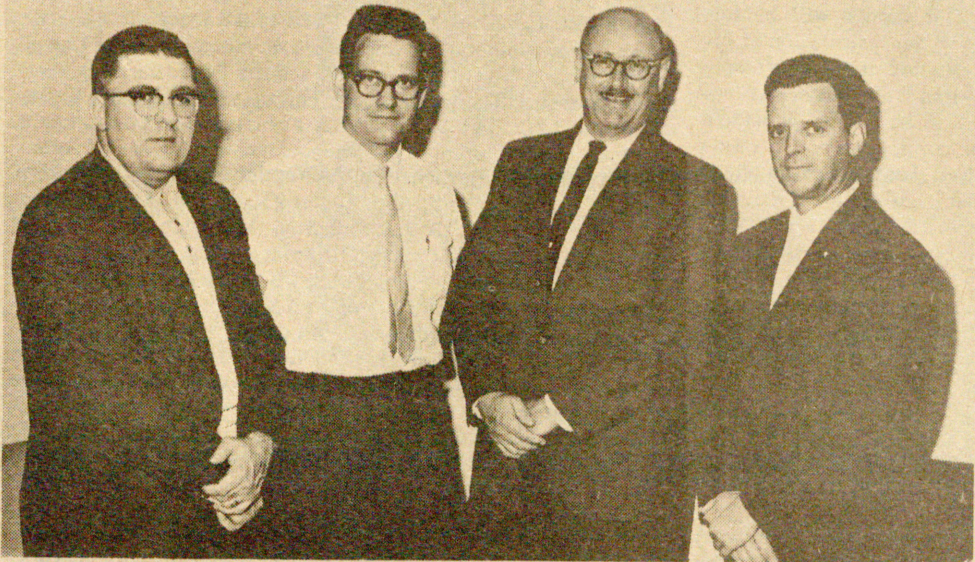

Funeral services were held Monday afternoon, June 4, at the Hirsch Funeral Home in Tinley Park with the Rev. Theodore Wimmer, pastor of St. John's United Church of Christ,

Mokena, officiating. Burial was in the Forest Home Cemetery, Forest Park.

Mrs. Bishop was born October 21, 1893, in Forest Park but had made her home for many years in Hollywood, Ill., before coming to Mokena.

Her husband Louis preceded her in death in 1950 and a son, Robert, in 1941.

She is also survived by another daughter, Mrs. Lucille Anderson, Tinley Park; a sister, Mrs. Anna Kirby, Montebello, Calif.; a brother, Hubert P. Snyder, Santa Barbara, Calif., and five grandchildren.

RECEIVE AWARDS - The Tinley Park State hospital held their annual award ceremony last week. Among the volunteers honored for hours of service were these local persons. TO WHOM IT MAY CONCERN
Please take notice that on June 18, 1962, at 8 o'clock p.m. at the New Lenox Fire Protection District fire station, the Village of New Lenox Zoning Board of Appeals will hear the plea of Earl C. Montgomery, Jr.

This plea is to construct a double garage 22 feet wide on a 30-foot parcel of land, or to leave an eight-foot side yard where a ten-foot side yard is required.

This property is located at 402 South Cedar road, New Lenox, Illinois.
The Zoning Board of Appeals will also consider the plea of S.W. Hauck. The relief prayed for is to change Lot 5 from a light industrial zone to a multiple dwelling zone. Lot 5 is described as follows: A part of Sheldon Hauck's Subd., of a part of the S 1/2 of Sec. 16, in Township 35 North, Range 11, east of the Third Principal Meridian in the Village of New Lenox, Will County, Illinois.

boundary of Mokena Community park.
This addition is approximately 68 by 124 feet and was purchased by the park district for \$400.

A new backstop has been erected at the Community park ball diamond. The number of boys interested in baseball has increased the need for more space. Al Sorensen has signed up two farm teams, 4 Little League teams and three Babe Ruth teams. The new team is playing in the Joliet Park District League. They practice twice a week. The other teams will be hearing from their managers soon about the starting dates for practice.

Miss Sharon Cappel, Recreation director for the Mokena Community Park will register youngsters for the summer recreation program on June 11 and 12 from 9 a.m. to noon.

Nurses training will start Sept. 1 for Judith Ann Kuchenbecker. Her parents are Mr. and Mrs. Al Kuchenbecker of 113th St. Judith has been accepted by the Silver Cross hospital School of Nursing.

Miss Helen Sheridan, daughter of Mrs. Lucille F. Sheridan graduated from St. Francis college May 29 with a bachelor of arts degree.

Miss Barbara Niemann, daughter of Mr. and Mrs. Robert Niemann of La Porte road will graduate with a degree in elementary education from Blackburn college on June 9.

Richard De Forest was one of a class of 140 graduating from Monmouth college on June 4. He is the son of Mr. and Mrs. Robert De Forest of Woodland circle. He received a bachelor of arts degree.

Mrs. Richard Dunham has been named local chairman for the Elmhurst College Alumni Fund Campaign. This is an annual support fund for the college. Elmhurst college was started in 1871 and now has an enrollment of 878 students. It is a four year liberal arts school.

On Friday evening June 8 the Mokena Book club will meet at the home of Mrs. Gordon Holleman. Mrs. George Carlisle will review "The Next Fine Day" by Elizabeth Yates.

Librarians for Wednesday night, June 13 will be Frances Ekins and Lois Carlisle.

A luncheon honoring Mrs. Berle Needham, the outgoing president of the Mokena Women's club was held on June 1 at Jardine's restaurant, in Tinley Park. This was the last meeting of the club until fall.

On Tuesday evening, June 5, Mr. and Mrs. Wilbur Teske of Front St. entertained 45 guests in honor of their daughter Shirley's graduation from Lincoln-Way High School. Those attending were friends and relatives from Mokena, Blue Island, Markham, Midlothian and Frankfort.

Friends and neighbors of Mrs. Louise McGann and daughter Sandra enjoyed the open house reception in their lovely new home in Kohl Wood Estates on Sunday afternoon, May, 27. The McGanns have moved to Mokena from Chicago. Sandra is a Lincoln-Way graduate this year and plans to attend Joliet Junior college in the fall.

Larry Niemann's first birthday was celebrated Sunday, May 27 at his home in Crete. He

is the son of Mr. and Mrs. Lorne Niemann, formerly of Mokena. Mr. and Mrs. Harry Fee, his maternal grandparents; Mr. and Mrs. Robert Niemann, his paternal grandparents; Mrs. Elsie Genens of Frankfort, his great-grandmother; his aunt Mrs. Jean Hird and Mr. and Mrs. Don Stephens, his aunt and uncle were there to help Larry celebrate.

St. Mary's Altar and Rosary society of Mokena will hold a dinner at Cavallini's restaurant in Midlothian June 14 in place of their regular June meeting. The group will assemble at the social center at 6 p.m. on June 14 to make the trip. The dinner will be followed by the installation of officers elected at the May meeting. Miss Irene Kluth was re-elected to serve as president for the coming year. Succeeding Miss Jean Sagan as vice-president will be Mrs. Enideno Albor. Replacing Mrs. William O'Neil as recording secretary will be Mrs. Allan Lawson. Miss Jean Sagan as corresponding, and Mrs. Mary Halfacre as treasurer take the offices vacated by Mrs. Albert Bilotti and Mrs. Gerry Le Beau.

The next meeting of the Arby Hills Civic Association will be Tuesday, June 19, at 8:00 p.m. at Gordon Gillison, Stephanie Lane, to elect officers. The nominating committee presents the following slate: Robert Best, president; Paul Yarborough, vice president; Sandra Yarborough, secretary; Bob Hannafin, treasurer. Further nominations may be made at the meeting. All members are urged to be present.

The Arby Hills family weiner roast at the Harold Lotz home on Marjorie Parkway was a big success with ten families represented. After supper, most men and children played baseball while the rest listened to hi-fi. Later all had coffee and played cards.

The Mokena Republican Women's club enjoyed their membership tea at the Robert Mackey home, May 27. Mrs. Ralph Murphy, chairman of the board of the Will County Republican Women Central Committee brought four Joliet women who are interested in our Mokena Branch. Clara Hartley Woodard, chief deputy county clerk, was present with Jean Freeburg, secretary of the Joliet Young Republican's club.

The Mokena Republican Women's Club was sparsely attended, but those who attended are busy writing their congressmen against the King-Anderson Bill. Harry Dexter, Executive director of the Aesculapian Association, the evening's speaker, told his attentive audience, that this bill would socialize our medical care and put an unwarranted burden on our wage-earning family man in order to support a statistically proven group of people who pay their bills promptly and in full. Also learned was that the AMA is opposing the bill because of its method of financing medical care for the aged and because there are also available plans which do not have governmental control that offer medical care for the aged.

Mrs. Ada Hoogstra gave a surprise party on Mrs. Millie Lindstrom as Mrs. Lindstrom is moving away from Mokena. Mrs. Pat Bernard was co-hostess, and the party was held in Mrs. George Bernard's home. Mrs. Marion Raffauf, Mrs. Alice Barret and Mrs. Lee Bennett attended. We all wished Millie good luck in her new home.

Miss Harriet Hoogstra was

Maid of honor in the wedding of Miss Janet Marks of Chicago. Harriet and Janet were classmates at the University of Illinois in Urbana, Ill.
Because of a bad heart condition of Mrs. Ada Hoogstra's mother a 1/2 hour graduation

party was held in honor of Bernie Hoogstra in the home of Mrs. Hoogstra's sister, Mrs. Robert Weiner of Chicago. Present was just Mrs. Harriet Hoogstra, the Hoogstra's and Robert Jr. and Carolyn and Jerilyn Weiner, and friends of the family Miss Effie Trakas and Fred Clark. Mrs. Hoogstra's mother Mrs. Ada Young. Also Jerilyn Weiner was honored at the same time as she graduated from high school.

Pomeranian Is Winner At NewLenox Dog Show

A large crowd braved rain and cold weather at the 13th annual All-Breed Dog Show and Obedience Trial sponsored by The Stone City Kennel Club Sunday at the Fred Francis 4-H Field, New Lenox.

The highlight of the day was the judging of "The Best of Show" for dogs competing in confirmation. Mrs. W.C. Edmiston, judge, for this event, selected Champion Golden Rule Twinkle Star a Pomeranian owned by Ruth Norton, Kewaskum, Wis., and handled by Lorraine Heichel from the six finalists. The six finalists represented were best sporting dog, Champion Headliner, the Flaming Beauty, and Irish Setter owned by Jack L. Funk of Chicago; best hound, Champion Bronze Falcon of Woodhill, a Borzoi owned by Nellie B. Wood of Fort Wayne, Ind.; best working dog, Champion C-Ton's Jackpot, a Boxer owned by Lu Seaton of Portage, Ind.; best terrier, Doman's Daiquiri, a Miniature Schnauzer owned by Dorothy H. Rowland of Fargo, N.D.; best toy, Champion Golden Rule Twinkle Star; best non-sporting, Champion Bel Tor Black Helen, a standard Poodle owned by Bel Tor Kennels of Pine Orchard, Conn.

LOCKPORT DOG WINS
Best local dog (dog owner living within 25 mi. of Joliet) was Snoko's Nikita, a Samoyed owned by Mrs. Joseph Marshall of Lockport. Best brace of the day was Nandane's Tar Baby and Champion Nandane's Gypsy of Way Mar, two brindle Great Danes owned by Nancy Baumgartner of Milwaukee.

Highest scoring dog in utility class of the obedience trials was Prince Choya, a German Shepherd owned by Robert P. Blackhall Sr. of Milwaukee with 148 points out of a possible 200. Highest scoring dog in Novice Class A was Sylfred's Siegfried, a German Shepherd owned by Fred Elliot of Waukegan with 196 points. Novice B Class was won by Ruan's Dancing Shadow, a Poodle owned by Rita L. Modier of Kasbeer, Ill. with 199 points. Open class A was won by Wiljo's Shalimar of Ridge, a Poodle owned by William H. Tarbox of Clarendon Hills with 198 points. Rad's Friendly Jest of Summer, a Doberman Pinscher owned by Velma Janek of Muncie, Ind. Was high scoring dog in Open class B.

Junior Showmanship competition is held for boys and girls ages 10 to 16. Dogs must be owned by handler or a member of his immediate family and awards are given solely for skillful handling and not merits of the dog. Winner in Open group was Jane Helms, age 14, of Elm Grove, Wis., with her Dalmation. Novice B was won by Terry Burns age 13 of Chicago with a Boxer. Novice A was won by Sherry Hillier, 11, of Park Forest with her Collie.

BEST LOCAL DOG—Judged the best local dog in the Stone City Kennel Club Dog Show held Sunday was Snoko's Nikita, a Samoyed owned and shown by Mrs. Joseph Marshall of Lockport, Rt. 1, A crowd of over 1,000 attended the dog show from more than 16 states despite rain and cold weather.

Turkey Growers Urged To File Certificates

Turkey producer-growers and contract-producers who have not already done so should contact their ASCS county offices immediately to determine their eligibility to vote on the proposed national turkey marketing order and to certify the quantity of turkeys they marketed in 1961. Carl M. Bormet, chairman, Agricultural Stabilization and Conservation Committee, said today.

Those eligible to vote in the referendum will include "producer-growers" who marketed more than 3,600 pounds (live-

weight) of turkeys in 1961, and "contract-producers" who in 1961 had a risk-of-loss contract in turkeys produced by a producer-grower.

The chairman explained that the general voting on the turkey marketing order will extend from June 18 through 22, at the ASCS county office where the producer's certifications are filed. However, cooperatives

desiring to vote for their members and contract-producers must file certifications by June 8 with the state ASCS Office for the state in which their principal place of business is located; if they operate only in one county, they would file their certifications in that county.

To become effective, the turkey marketing order must be approved by at least two-thirds of the producers voting, by number or by volume of their production. If the order is approved growers would then have two market supply — management measures available to them whenever needed as determined

and operated by an industry administrative committee. Under one method, the quantity of turkeys handlers could acquire from producers would be limited to producer "allotments". The other method would require handlers to set aside quantities of turkeys considered surplus for a marketing year or period. Such turkeys could not be marketed in nor-

mal channels. The set-asides would be disposed of by the industry administrative committee, and net proceeds from the eventual sale of the set-aside pool would be distributed to producers.

Only the second-described method could be used for 1962 should producers approve the turkey marketing order in the June referendum.

Approximately 20 people, attended the second meeting of the OPH Homeowners Association on Monday, May 28 at the Orland Park Elementary School, each month at 7:30 p.m. in the Schmuhl school. Cub Pack meetings are held the third Tuesday of each month at 7:30 in Schmuhl school.

Plans are in the making for a Boy Scout troop and Cub scout, joint camp-out to be held sometime this month.

Ninety-five students of Schmuhl school were served an end of school picnic lunch at the school on Monday June 4 at noon. Mothers of the 6th, 7th, and 8th grades were hostesses.

The meeting started with the reading of the treasurers report by Wen Seng, treasurer.

Membership chairman, Dallas McGhee reported that approximately 70% of the families thus far contacted have joined or renewed their membership with the association.

Roy Martin, president, explained of the foundation leakage problems reported by several homeowners and stated that the association was further investigating the situation. The president explained the trailer court situation and how the association is working with several other local groups to file an intent to appeal.

The forming of a civic association, which would combine several different homeowners associations and other local organizations interested in Orland township betterment, was discussed.

It was announced that the association has made plans for two rubbish trucks to make a special trip thru the area starting at 8 a.m. on Saturday, June 16 to aid homeowners with the disposal of trash from spring cleaning.

Featured speakers were: Mr. Davidson of Carl Sandburg high school speaking for the junior college district and Mr. L. Carriere a Blue Island attorney giving the argument against the issue. It was a very informative discussion after which a question and answer period followed.

The Homeowners association womens annual card and bunco party of May 23 was a huge success.

Cake and coffee were served buffet style and 40 some prizes were awarded with the \$25 gift certificate from Country Casuals going to Mrs. Patricia Gull of 10222 Hibiscus. Table prizes were decorative and colorful kitchen sponges with artificial flowers.

The next meeting of the Orland Center Parent Teacher's

club will be held at the Orland Center school on June 11 at 8 p.m.

Timmy Roney, son of Mr. and Mrs. Carl Roney lost his tonsils at Silver Cross hospital on Thursday, May 31.

Kindergarten Winds Up First Year Of Operation

MRS. EDWARD HOVI
MOKENA 5740

The Arbury Hills Kindergarten Organization has now finished its first year of operation with the completion of classes last week.

The officers and board of directors of the organization wish to take this time to express their appreciation for all the assistance and cooperation of the people in Arbury Hills and the surrounding areas, and in particular to Edward Feeley, whose contributions made the first year of the Arbury Hills kindergarten a success.

Mrs. De Young made a visit to the kindergarten during the last week of classes to demonstrate to the children the manner in which butter is made. After the butter was churned, it was served to the children on crackers as a special treat.

The Youth Movement, started a few months ago, now have the temporary name of "Teen's". This is a group of young people from the Summit Hill school. Dist. 161 between the ages of 13 and 18. The meeting dates are scheduled for the second and fourth Monday of each month from 7:30 to 10:00 p.m. These meetings are being held at the school. The dues has been set as \$1 per six-month period.

There have been temporary representatives chosen to serve until an election is held. The three representatives chosen are: Paul Shubert, to represent the eighth grade; Cindy Markl, to represent the freshmen and sophomores; and Jack Shranz, to represent the juniors and seniors. In addition to these three, Karen Blank was chosen to act as secretary for the group.

The Teen's are sponsoring their first activity in the form of an ice cream social to be held at the school on Sunday afternoon, June 10, from 1 to 6 p.m. This get-together is for everyone in the Summit Hill school district; for children of all ages from one to one hundred.

Tickets will be sold by the youngsters door to door prior to the day at a cost of 50 cents per person which will include not only home made ice cream, but also cake. There will also be soda pop available at 10 cents a bottle. If you are not contacted to purchase a ticket, you may also buy tickets at the door on the afternoon of the social. In addition to the refreshments, there will be games played.

These young people are working very hard to get their group organized and to raise funds necessary for its operation; we

keting quota penalties will apply to the acreage in excess of the allotment. In such a case, farmers may avoid the penalty by adjusting their wheat acreage to the allotment (or the exemption, if larger) by June 10, 1962, which is the established disposition date for Will county.

The chairman reminds growers that the penalty on excess 1962-crop wheat will be 65 percent of parity as of May 1, and the amount of wheat subject to penalty will be twice the farm's normal yield on the acreage in excess of the allotment, unless the 1962 actual yield is proved to be less and a request for adjustment is filed by a stated deadline. Where the final acreage remains in excess of the allotment and the excess is not stored or delivered to the Secretary of Agriculture to avoid marketing quota penalties the farm also will be subject to a reduction in future wheat allotments.

The combined Brownie-Girl Scout meeting of May 23 came off quite well with six of the Brownies participating in the "fly-up" ceremonies. In this ceremony a Brownie becomes a Girl Scout. The six girls involved were: Dinah Williams, Charlotte Wilson, Becky Kronick, Joyce Funick, Laura Harrington, and Linda Cooper.

This was the last meeting of the year for both the Brownies and the Girl Scouts until school resumes in September. There will be a day camp for the Brownies and the Girl Scouts from June 25 to June 29.

Summit Hill school had its eighth grade graduation dinner at Valley View Farm last week. The graduates helped to raise the needed funds for the dinner by putting on a car wash at the school a few weeks ago.

All the eighth graders were invited to the dinner. The room mother parents were also invited, and also Mr. and Mrs. Charles Rellis, he being the principal, and the eighth grade teacher, and the sixth and seventh grade teacher were also present.

There were three awards presented to the graduates: Achievement awards were presented to Robert Been and Pamela Mott. The third award presented that evening was for highest scholastic award which was given to Laura Kronick.

Members of the Marley Woman's club will meet in Haley Park in Marley on Thursday, June 14 for their annual picnic. Dinner will be served at noon. Members are to bring a dish to pass and their own table service. The meat, beverages and ice cream will be furnished. Members are also to bring a wrapped 25 cent gift and a 10 cent gift for each child that she brings.

The Twelve Trumps will meet Tuesday night, June 12 at the home of Mrs. Otto Moravec. Mr. and Mrs. Eugene Horwath are the parents of a baby daughter born on May 28th in the Silver Cross hospital.

Mrs. Adella Sprout and Mr. and Mrs. Durward Killinger and family spent Friday afternoon in Skokie.

Mr. and Mrs. Russel Lauffer and Mr. and Mrs. Clare Berg spent Tuesday in Macomb and in Peoria, Ill. Mill Louise Berg who just completed her sophomore year at Western Teacher's College, returned home with them.

Mr. and Mrs. Fred Helmke received word of the death of their son-in-law, Carl Webb, last week. Mr. Webb was stricken with a heart attack at his home in St. Petersburg, Florida on May 27. He was removed to a hospital and died there on Wednesday. He is survived by his wife, the former

Mae Helmke and one son, Fred.

Children's Day will be observed in the Marley church on Sunday June 10. The service will be held at 10:30 a.m. The theme of the service is "The Story The Bible Tells". A special Children's Day offering will be received to help support the American Baptist program of evangelism of children. There will be a rehearsal for all Sunday school pupils on Friday evening, June 9 at 7 p.m. in the church. Directors of the program are Mrs. Durward Killinger and Mrs. William Little.

The junior choir has been discontinued for the summer in the Marley church. On Thursday evenings at 6:30 o'clock, during the summer months, a story hour will be held in the church for all the children of the community and the church and their friends. Mrs. Elisabeth Brown will be in charge. The first story hour will be held at the church on June 14 to find out "How the Rhinoceros Got His Skin" from Rudyard Kipling.

An ice cream social will be held in the Shelter at Haley Park on Sunday afternoon, June 17 from 3-5 p.m. In charge of the affair will be a committee made up of Mrs. Mary Griffin, Mrs. James Tilley, Mrs. Herb Crabb, and Mrs. Ian Brown, of the Marley Missionary Society. The public is invited.

More Controls for More Wheat Farmers, Says ASCS

Small wheat farmers especially were urged today to check with their ASCS county office if they are not sure whether they are subject to marketing quotas on their 1962 wheat crop.

Roy M. Smith, chairman, Agricultural Stabilization and Conservation County Committee, stressed the fact that many more wheat growers will be subject to the quotas this year, because the former 15-acre marketing quota exemption does not apply to the 1962 wheat crop.

Farms which will be subject to marketing quotas under the 1962 wheat program, he explained, are those on which

the acreage of wheat exceeds the larger of the farm allotment or marketing quota exemption acreage. All farmers were notified last fall of their farm allotment and/or marketing quota exemption acreage.

If the farm's wheat acreage is within the farm wheat allotment -- or the wheat quota exemption if this is larger, there is no problem; all the wheat produced on the farm may be marketed free of penalty.

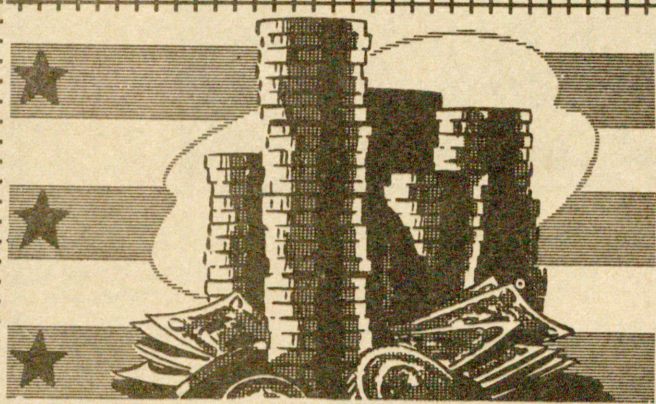

However, if the farm's wheat acreage exceeds the larger of the farm wheat allotment or the wheat quota exemption, mar-

Mr. and Mrs. Robert Burch attended a picnic dinner in Green Garden last Sunday afternoon, which included the families of the officers and directors of the Homer-Green Garden insurance company.

The George Burchams entertained a large group of relatives and friends from Chicago on Memorial Day. They attended the meeting at Brooks Cemetery in the afternoon.

The Joe Vancil family from Downers Grove visited relatives here Wednesday evening.

Mrs. John W. Reiter and Mrs. Earl Burnworth were hostesses at a well-attended meeting of the Missionary Society at Homer church Thursday afternoon. Mrs. Burcham, president, presided and Mrs. Robert Burch led the devotional service. Reports were heard from the various committees. Mrs. Dale Collins, 159th St., joined the group as a member.

The school board of 33-C, at its recent monthly meeting, voted a raise in the salary of each of the teachers who return to teach here in the autumn. The action was taken after considerable discussion, after it was learned that several teachers have been offered higher wages at other schools. It is expected that all of the presently employed teachers except Miss Judy Cunningham, who will be a June bride, and who is leaving this locality, will return for the 1962-63

school term.

Mrs. F.J. Paddock was removed to Silver Cross Hospital Friday afternoon for treatment of a heart condition.

Mr. and Mrs. Ray Carlson were hosts at a picnic supper Wednesday evening to a group of Joliet friends.

Mr. and Mrs. Wrey White have been vacationing at their cottage in Northern Michigan.

Sixteen young people received eighth grade diplomas at the well-planned graduating exercises at Homer Consolidated School Friday evening, June 1. They are Christine Cook, William Czimmer, Barbara Dudek, Bonnie Henderson, James Jungles, Kathleen Kennedy, Keith Kostelny, Diane Molkenite, Martha Schacke, Susan Reed, Linda Shepherd, Thomas Stoner, Allen Thomason, James Yunker, Donald Zolecki and Albert Zytynowski.

The program was built around the class theme, "Magic Carpet." Decorations of flowers and streamers were in the class colors, green and white, and the graduates wore corsages of white carnations, the class flower. Mrs. Albert Thomas was in charge of floral arrangements.

Mrs. Honora Lahmann, Superintendent, presided and led the pledge to the U.S. flag. Rev. Stanley Cox gave the invocation and benediction and the audience sang "America."

The Salutatory address was given by Allen Thomason, the class valedictorian, the prophecy by William Czimmer, and the valedictory by Christine Cook. A gift of money for tables was presented from the class to the school by class president, Albert Zytynowski.

Doug Carlson, representing LTHS welcomed the group to high school.

Rev. H.M. Finley of Lockport gave the young people some very good advice in his Commencement address.

A chorus, composed of seventh and eighth graders, directed by Mrs. Henry Rodgers, sang several numbers in a pleasing manner. Mrs. Ray Carlson accompanied on the piano.

Diplomas were presented by Robert Burch, president of the board.

Post Office Plans First Special Christmas Stamp

Postmaster General J. Edward Day announces that a special stamp to be used during the Christmas season and a new 50-Star Flag stamp will be included in this year's issues.

Addressing the Combined Philatelic Exhibition of Chicago, Inc. (COMPEX), Mr. Day promised the Christmas stamp would be available in time for use on greeting cards next Christmas. It will be the first time in United States postal history that such a stamp has been issued.

The postmaster general advised the COMPEX audience that a 50-Star Flag stamp, as part of a regular series, has been awaiting the outcome of legislation now pending in congress, which would increase postage rates.

Denominations of both new stamps will hinge on whether the first-class rate is increased to five cents, he noted, adding that he was "confident" that new postal rates will be enacted. The decision to issue the two new stamps swiftly followed the recommendation of the Citizens' Stamp Advisory Committee which met in Washington, D. C., May 14. This 12-man committee of fine and graphic arts and philatelic experts serves the post office Department in improving both the design and utility of stamps.

Designs or colors of the two new stamps were not disclosed. However, the postmaster general hinted that the Christmas issue will represent a departure from the norm in stamp art.

There is an almost irresistible tendency for stamp issues to fall into a pattern, he said. "As our Christmas stamp will illustrate, our efforts in the stamp field are to avoid this kind of stereotype... we are deliberately seeking opportunities to widen the horizon of stamp art and design. We have tried new color combinations, new approaches to design and, as in our bleed stamps (Arizona statehood and Century 21) of this year, new production techniques."

In the bleed process, printing extends beyond the conventional borders and in the instance of the Arizona stamp, it artistically symbolized the vastness of the desert.

Noting that the post office Department annually receives nearly 1,000 letters requesting a stamp appropriate to the Christmas season, Mr. Day said the two new issues will be made "in response to heavy public demand."

When the 4-cent Battle of Shiloh "Civil War Centennial" commemorative stamp was first placed on sale at Shiloh, Tennessee, on April 7, 1962, a total of 526,062 first day

covers were canceled. There were 775,088 stamps sold that day with a value of \$31,003.52.

A total of 544,424 first day covers bearing the 4-cent Charles Evans Hughes stamp was canceled at Washington, D. C., on April 11, 1962. In all, 820,677 stamps were sold that day with a value of \$32,827.08.

There were 771,856 first day covers canceled at Seattle,

No Barbershop Harmony Here--Declares Partner

(CNS) A Palos Heights barber Monday filed a complaint for dissolution of the partnership agreement under which he and another operated a barber shop in that area.

Samuel Terrana alleged that his partner, Raymond Thompson, "undermined employees of the co-partnership" has attempted to set up unfair competition directly across the street, and has used bodily force against him in breach of the partnership agreement under which they jointly operated Sam and Ray's Barber Shop at 12332 S. Harlem Avenue.

Terrana alleges in a suit filed in Superior Court that he learned "indirectly" of Thompson's and former employee Earl Grady's purchase of electrical equipment for a barber shop. The suit then stated that he learned of Thompson's having executed a lease for property across the street, and his plans for competition.

Plaintiff Terrana further claimed that upon hearing Thompson tell two other employees to quit, and attempting to stop the action, Thompson dumped barber tools on the floor, on Terrana's head, and attempted to throw them out the

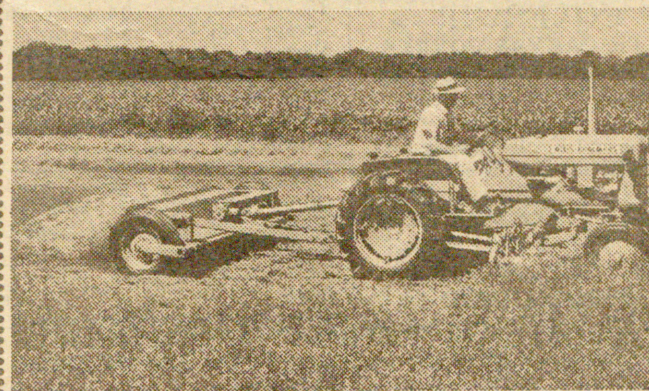

door. The plaintiff claims that when he then tried to protect the tools Thompson hit him with his fist and grasped him with a bear hug, causing him blackened eyes, and his face to be "bruised and marked."

It is further alleged that Thompson has advertised frequently in a Palos newspaper, further showing his intentions of competition, and Terrana hence asks for the partnership dissolution and a restraining of Thompson's opening the competitive shop.

In 1939, author Ernest Wright wrote the 50,000-word novel "Gadsby" -- and didn't once use the letter "e."

Need Dentist Fast? Well, Here's One Way to Do It

Here's an important telephone number to add to your list of emergency phone numbers: RAndolph 6-4321

This is the newly established emergency dental care service telephone now operating on a 24 hour basis, covering all towns in Cook, Lake and Du Page counties. Dr. O. E. Scott of Wilmette, president of the Chicago Dental Society announced today.

Dr. Scott said that more than 600 members of the society have volunteered for assignments on a rotating basis to give emergency dental care when needed.

Dr. Harold H. Epstein of Lincolnwood, society board member, is chairman of the emergency dental care committee that set up the program. Working with him are Dr. Paul Brown of Lincolnwood, a society board member, and Dr. Edward F. Kritzke of Cicero, vice president of the society.

Dr. Scott said the program will assure availability of private dental care for emergencies at night, during holidays, weekends, or whenever the family dentist is not available. It also is available to tourists and persons not having a family dentist.

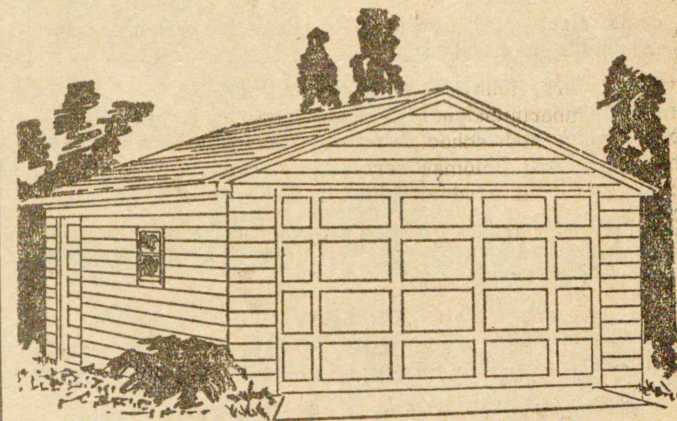

Upon calling RAndolph 6-4321 the referral service answering

will contact a dentist in the area of the call and the dentist will call the person directly to determine the extent of care needed. If it is at all possible to advise home care until regular office hours this will be done;

otherwise, the dentist will determine the validity of the emergency and instruct the caller to meet in his dental office for immediate care.

Mrs. Robert Regan Will Entertain Garden Club

DOLORES ANDERSON

HU 5-3651

The New Lenox Garden club will meet today, (Thursday) at the home of Mrs. Robert Regan. Co-hostesses will be Mrs. James Elwood and Mrs. Walter Houchin. The program for the afternoon will be a talk given by Ted Biernecke of the Tinley Park nursery.

Mr. and Mrs. Alfred Fox have returned home from a vacation spent in Florida.

The Woman's Guild of Grace Episcopal church will sponsor a "Guess What" breakfast on Wednesday morning June 20 at 9:30 a.m. in the parish hall. There will be prizes and tickets for the breakfast will be 65 cents per person. Mrs. Thorval Larsen is committee chairman.

Members of the First Child Study group and their children will enjoy their annual picnic at Inwood park, Joliet, June 19. The group has discontinued meetings for the summer months.

Miss Dotte Jean Anderson returned home Wednesday June 6 from Illinois State Normal university at Normal where she completed her junior year. She is majoring in elementary education. Miss Lois Sluiter, who completed her sophomore year, and Miss Karen Korista, who completed her freshman year at Normal, also returned home this week.

The 8th grade graduation class of St. Jude's school enjoyed the annual graduation trip to Springfield and New Salem on Thursday May 31. The class went to mass followed by a breakfast in the school held prior to leaving on their trip. They were accompanied by teachers and parents.

Mr. and Mrs. O. V. Rowe spent the weekend at Albion, Mich., with their son-in-law and daughter the Rev. and Mrs. Robert McDougall and children Rachael and Bruce. Miss Prudence Rowe, who has attended Albion college this year accompanied her parents home for

the summer vacation. She will return to school for her junior year at Albion in September.

Brownie Troop 230 of New Lenox met Thursday afternoon at the Methodist church where they invested 15 girls from the Brownie troop into the Intermediate girl scout troop at a candlelight ceremony. The girls received both their wings and Girl Scout pins. Wings were presented to the girls by co-leaders, Mrs. Edward Townsend and Mrs. Walter Reeser; and the pins were presented by the leader, Mrs. Melvin Spiess.

Mothers of the girls were invited guests, and after the ceremony, punch and cookies were served by the girls.

Those invested were: Joy Knobloch, Aura Spiess, Penny Townsend, Sharon Reeser, Leslie Koster, Joan Marek, Vickie Carter, Rita Chamberlain, Julia Seeley, Connie Dawn, Brenda Dody, Marilyn Hammond, Lennea Larson, Ellen Staehling, and Beverly Hasselbring.

Mrs. Edward Townsend was also invested, into the troop. The girls will continue as a troop, but will discontinue meetings for the summer months. Meetings will resume in September, and plans are being made for a camp-out that month.

Tri-keno Scout Day camp will be held June 25 - 29 at Van Horn woods in Mokena. Mrs. Melvin Spiess is the assistant director.

Mrs. S. A. Sherry has returned to her home in Viroqua, Wis., after spending three weeks here with her daughter and son-in-law, Mr. and Mrs. O.C. Davis, 715 Root Street.

The Woman's League of Trinity Lutheran church will sponsor a card party at 1 o'clock June 21 in the church dining room. Dessert-coffee will be served, and there will be prizes. Tickets are available from the members of the league. Mrs. Sherry Davis is chairman of the party, and Mrs. Aurelia Bruns is ticket chairman.

Area Residents Swell Throng to Hear Graham
Scores of area residents have attended the Billy Graham crusade now in progress at McCormick Place on the Chicago lake front. Many more will take advantage of the opportunity to hear the noted evangelist before the series of meetings is finished.

The Graham meetings have attracted record crowds and the climax will come at the close when he is scheduled to address a throng in Soldier Field, which for such an event would seat more than 100,000 person.

Last Sunday's meeting, which began at 3 o'clock in the afternoon, drew a crowd of some 50,000, the largest indoor audience that the Rev. Mr. Graham ever addressed.

The meetings are not only drawing huge crowds from Chicago itself but are attracting thousands of people from outlying portions of Illinois and neighboring states.

Groups from various churches in Chicagoland are chartering buses to make the trip to and from McCormick place.

The evangelist has been hitting hard at laxity in morals in all age groups and walks of life and points that the only way the world can hope to have peace and banish greed and hatred is thru conformity to God's laws as given in the Bible.

Tommorrow is Doughnut Day

Tomorrow June 8, is Doughnut Day in Chicago-land. Doughnut day is the annual tag day for the Salvation Army. Taggers notably will be selling the brown doughnut - shapped tags in Chicago but in all the suburban towns as well. The work of the Salvation Army is generally and favorably known and the response to its appeal for funds is usually generous.

Tinley Lions Club Organized First Aqua Center Committee

Tinley Park Lions Club Aqua Center Supplement
Thursday, June 7, 1962 Page 3

The culmination of several years work will result in the opening of the Tinley Park Lions club Aqua Center located north of Oak Forest Ave., east of Ridgeland June 15.

In this quiet, secluded, wooded location, members may enjoy swimming and diving in an Olympic size pool, with a wading pool for the children, or picnic in the shady area with their families and friends.

The Aqua Center project was first introduced at a Lions club meeting in 1958. Members heard how other Lions clubs had successfully establishing swimming pools.

Committees of Lions club members were formed to make the preliminary investigation.

On March 12, 1959 preliminary articles of incorporation were drawn up and the following Lions served on the first committee: Lyle Nelson, chairman; Allen C. Ebel, Bernard Ackerson, and Leslie Johnson.

The Tinley Park Lions Pool Corporation was formed consisting of the following officers: Donald Hollingshead, president; Kenneth Schumde, vice-president; William Francis, secretary; and Frank Dudiak, treasurer. Also, the following directors: Leslie Johnson, Allan Howie, Robert Rawson, Joseph Kraman, and Harry Schmidt.

The club received a fine community response as they informed the public how they could become members of the Aqua Center by purchasing bonds.

The club entered into a contract with Pascal P. Paddock consulting engineers of Oklahoma City, for professional engineering services in the construction of the center. In July 1961 the site was chosen. In November, 1961, the swimming pool and facilities were completed.

A GROUND BREAKING - Mayor Allen Verhage poses with the senior and junior aqua queens at the proposed first site of the Lions Aqua Center. On the left is Barbara Barker, junior queen, Senior aqua queen (right) is Mrs. Tom Mortensen (the former Lana Bettenhausen).

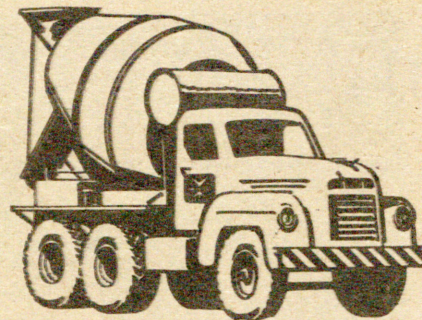

DIRECTORS - The directors and officers of the Tinley Park Lions Pool Corporation visited the aqua center after the forms had been laid. Left to right they are, Allan Howie, Robert Rawson, Leslie Johnson, Joseph Kraman, Donald Hollingshead, Harry Schmidt, Phil Dykstra, Kenneth Schumde, and William Francis.

VILLAGE OFFICIALS - Publicizing the Lions Club Aqua Center at a ceremony last year were these village officers, left to right, William Judge, former trustee; Robert Suhs, trustee; Allen Verhage, village president; Kenneth Fulton, and Joseph McCarthy, trustees.

New Aqua Center Pool Is Of Olympic Size

A popular spot in Tinley Park this summer will be the Tinley Park Lions Club Aqua Center where bond holders who have paid the \$35 membership fee, may relax and swim in a quiet, wooded section where the facilities are located.

The Olympic-size Z-shaped swimming pool ranges in depth from three feet at the shallow end to a depth of eleven feet, and has two diving boards.

The large swimming pool is supplemented by a smaller wading pool for the youngsters which is fenced in. Adjoining it is a sun deck with lounges and tables where adults may relax and watch the children.

Swimming and diving lessons will be available, either individually or in groups.

The Aqua Center will be open from 9 a.m. to 9 p.m. seven days a week.

The pool and surrounding area can accommodate 1,000 persons.

Modern bath houses are located on the pool site with checking facilities.

Qualified life guards will be on hand at all times.

Over 4500 Pools Since 1923

CONGRATULATIONS!!

Tinley Park Lions For Providing This
Fine Swimming Pool Facility For The
Tinley Park Community

Pool Designers The Biggest In The Business

The new Tinley Park Aqua Center was designed and constructed by the largest swimming pool engineering corporation in the USA, Pascal P. Paddock Inc.

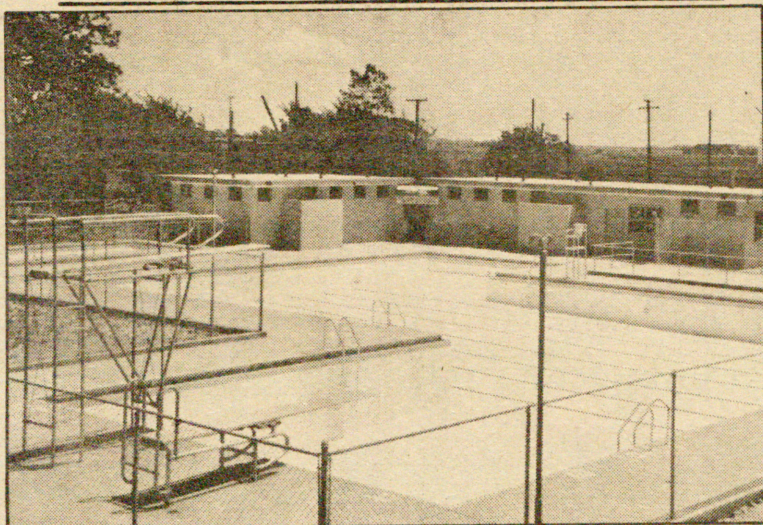

The Paddock Company has been designing and constructing swimming pools since 1923 and applied their best talents to this Tinley Park pool. They have built a total of more than 4,500 swimming pools in North America.

It is of steel-reinforced concrete construction and poured to forms, and features a Paddock-designed and built filtration system. This pressure sand filter is considered the very best that money can buy, and is guaranteed to produce the cleanest possible water.

Swimming pool salesmen are fond of noting that state law requires swimming pool water to be filtered to a higher level of sterility than water that comes out of the faucet at home.

Other Paddock-designed pools in the Chicago area are built or being built at Timber Trails Swim Club, La Grange; Ruth Lake Country Club, Hinsdale; Rolling Green Country Club, Arlington Heights; Lansing Park District Pool; Lawn Aqua Club pool at Oak Lawn; senior pool at Park Forest Aqua Center and the new Skyline Pool at Chicago Heights.

Pool Will Be Paid Off In 20 Years

**Bonds Are \$125
Memberships
Sell For \$35**

The methods of financing the new Tinley Park swimming pool are based on a membership plan for Tinley Park area families. Bonds are being sold in the amount of \$125 which will be paid off from pool revenues in 20 years at 5 percent interest per year (\$6.25).

Families who wish to use the pool on an unlimited basis during the regular season, and who already have purchased a bond will pay an annual family rate of \$35. Bond holders will have first choice on pool memberships.

In order to provide the financing for the cost of the pool, 1,000 membership bonds must be subscribed.

In addition to the bond and membership fee funds raised, the Lions Club of Tinley Park has also held a major fund raising affair to finance the pool construction.

Last year the Lions sold \$10 tickets to the gala dance and buffet dinner and raised \$3,500 for working capital. Chuck Norton of Tinley Park held the ticket which entitled him to a new Cadillac, but

IN PARADE - The Tinley Park Lions entry in the Fall Festival Parade was this float, which won a prize. It publicized their aqua center. The Lions Rode in the rear and the bathing beauties added the proper swimming mood.

**Tinley Park Lions Club Aqua Center Supplement
Page 10 Thursday, June 7, 1962**

he took the alternate prize of \$4,500 instead.

Lion Lyle Nelson who sold the most tickets and the winning ticket, took home the \$300 prize for being top salesman.

In order to publicize the pool project the Tinley Park Lions also held a big circus day June 25, 1961 at which bonds were sold. The main feature of the circus day was a parade featuring the Senior Aqua

Queen, Miss Lana Bettenhausen and Junior Aqua Queen Miss Barbara Barker.

Since the pool planning began, the Lions have held a continuing campaign to sell pool bonds and memberships and have set up door-to-door sales as well as booths at all the major Tinley Park events.

Bank loans have provided about half the money to date and individual subscriptions have provided the remainder.
